We are project and people driven. We hire people who excel at their work, take on new challenges while exploring new ideas. CKB Construction delivers challenging assignments while providing a supportive work environment. We are always looking for talented individuals who can bring innovative solutions and new ways of thinking to every project.

We are seeking a equipment operator for water and sewer construction

### Position Summary

Reporting to the project Foreman, this position will operate heavy equipment in a safe and efficient manner

### Primary Responsibilities:

- Operate deep sewer excavator and wheel loader
- Work safely around utilities, traffic and other equipment
- Load trucks
- Work on existing infrastructure in dense commercial and residential areas
- Perform other duties as assigned

### Qualifications Include:

1. Must be able to pass a pre access and random drug and alcohol test
2. Must have 3-5 years' experience operating Excavator and loader
3. Experience operating within water main and sewer construction considered an asset
4. Must have valid CSTS-20, WHMIS 2015, Confined space monitor/Entry and Fall Protection
5. Hard working
6. Positive attitude
7. Willingness to learn
8. Desire to complete tasks in a timely manner
9. Preference will be given to candidates with a personal vehicle and valid driver's license

### What we Offer:

At CKB we pride ourselves in offering a competitive salary and some of the best benefits available. Our benefits package includes extended health care (medical, dental), long term disability, life insurance and Employee Family Assistance Programs. Safety is vital within any CKB operation. All employees are expected to be familiar with the company's safety program and follow the safety policy at all times.
