

## Water and Sewer Topman

**Location(s):** Variety of project locations throughout Edmonton, AB

We are project and people driven. We hire people who excel at their work, take on new challenges while exploring new ideas. CKB Construction delivers challenging assignments while providing a supportive work environment. We are always looking for talented individuals who can bring innovative solutions and new ways of thinking to every project.

We are seeking a Topman for water and sewer construction.

### Position Summary

Reporting to the project Foreman, this position will assist the Foreman and crews to perform all water and sewer activities in a safe and efficient manner.

### Primary Responsibilities:

- Shoot grade with transit
- Direct and signal heavy equipment operators
- Install and repair a variety of water and sewer lines
- Perform manual and labour intensive tasks as assigned
- Direct placement of concrete into forms or onto surfaces according to grade
- Level top surface according to grade and depth specification
- Read and interpret drawings
- Load and unload tools, materials and equipment
- Operate industrial equipment and hand tools
- Direct traffic as required

### Qualifications Include:

1. Must be able to pass a pre access and random drug and alcohol test
2. 2-5 years' experience in water main and sewer construction primarily as Topman
3. Must have valid CSTS-20, WHMIS 2015, Confined space monitor/Entry and Fall Protection
4. Solid understanding of applicable environmental and OHS regulations
5. Rigging, hoisting and crane signaling experience is an asset
6. Hard working
7. Positive attitude
8. Willingness to learn
9. Desire to complete tasks in a timely manner
10. Preference will be given to candidates with a personal vehicle and valid driver's license

### What we Offer:

At CKB we pride ourselves in offering a competitive salary and some of the best benefits available. Our benefits package includes extended health care (medical, dental), long term disability, life insurance and Employee Family Assistance Programs.

Safety is vital within any CKB operation. All employees are expected to be familiar with the company's safety program and follow the safety policy at all times.
