

EXPERIENCED EQUIPMENT OPERATORS

Location(s): Various locations within Alberta

Abalone Construction is a privately owned company with over 30 years specializing in Industrial and Commercial civil construction. We offer construction services in a variety of markets including Infrastructure, Roadbuilding, and Land Development.

At Abalone, equipment operators are an integral member of field operations, responsible for providing support on our projects.

THIS IS NOT A CAMP JOB.

Primary Responsibilities:

- Operate and maintain equipment in a safe and efficient manner
- Carry out minor maintenance and inspection for equipment and report deficiencies
- Perform other related duties as required

Qualifications Include:

- Must have 3-5 years' experience operating:
 - Excavator
 - Skid Steer
- Experience operating on commercial and industrial projects is an asset
- Gradesman experience is considered an asset
- Must have valid CSTS-09, WHMIS 2015, Ground Disturbance and CSA approved 8" steel toe work boots
- Hard working
- Positive attitude
- Willingness to learn
- Desire to complete tasks in a timely manner
- Personal vehicle and valid driver's license required

Working Conditions:

Candidates must willing to commit to 50 + hours per week at various locations within Alberta. Typical shifts are 7:00am -5:30pm.

What we Offer

At Abalone we pride ourselves in offering a competitive salary and some of the best benefits available. Our benefits package includes extended health care (medical, dental), long term disability, life insurance and Employee Family Assistance Programs.

Safety is vital on any Abalone operation. All employees are expected to be familiar with the company's safety program and enforce the safety policy at all times.
