

HEAVY DUTY MECHANIC

Abalone Construction is a privately owned company with over 30 years specializing in Industrial and Commercial civil construction. We offer construction services in a variety of markets including Infrastructure, Road building, and Land Development.

At Abalone we have over 200 pieces of heavy equipment operating year-round. Our Heavy Equipment Technicians are an integral member of field operations, responsible for servicing our equipment at our Edmonton location.

THIS IS NOT A CAMP JOB. APPLICANTS MUST BE LOCAL TO EDMONTON.

Primary Responsibilities:

- Perform preventative maintenance for CAT 637G and 627G Motor Scrapers
- Identify and repair CAT 637G and 627G deficiencies in a timely manner
- Perform other related duties as necessary

Qualifications and Skills:

- Off Road Heavy Equipment Technician and Certified Journeyman
- Minimum 5 years' working in Heavy Civil Earthworks in a technician capacity specifically with scrapers
- Minimum 5 years' experience servicing and repairing scrapers
- Confident working independently as well as with a team
- Desire to complete tasks in a timely manner
- Ability to work independently and with a team
- Positive attitude
- Willingness to learn
- Personal vehicle and valid Alberta class 5 driver's license

Working Conditions:

Candidates must be willing to commit to 44 + hours per week. Typical shift is 7:00am -5:00pm.

What we Offer:

At Abalone we pride ourselves in offering a competitive salary and some of the best benefits available. Our benefits package includes extended health care (medical, dental), long term disability, life insurance and Employee Family Assistance Programs.

Safety is vital on any Abalone operation. All employees are expected to be familiar with the company's safety program and enforce the safety policy at all times.
