

Field Mechanic

Location(s): Edmonton, AB

Abalone Construction is a privately owned company with over 30 years specializing in Industrial and Commercial civil construction. We offer construction services in a variety of markets including Infrastructure, Roadbuilding, and Land Development.

We operate over 200 pieces of heavy equipment year-round. Our Field Mechanics are an integral member of field operations, responsible for servicing our equipment at our Edmonton area projects locations.

Reporting to the Equipment Manager, the Field Mechanic is responsible for the field maintenance, troubleshooting, adjusting, overhaul and repairs and assembly of a variety of equipment.

Primary Responsibilities:

- Ability to work safely and efficiently; follows all company policies and procedures
- Strong interpersonal and communications skills, both written and verbal
- Ability to multi task, detail oriented, positive attitude and a team player
- Ability to work alone or as part of a team
- Strong mechanical aptitude with a knowledge of parts and service
- Problem solving, repair and troubleshoot equipment in a safe and efficient manner
- Ability to frequently bend, squat, climb, lift and push/pull 45 pounds without assistance
- Ability to work outside in occasional incremental weather conditions required
- Working at heights and confined spaces are occasionally required

Qualifications Include:

- Journeyman Heavy Duty Technician Red Seal Certification in off road
- 5 years' experience servicing and repairing heavy equipment
- Confident working independently as well as with a team
- Desire to complete tasks in a timely manner
- Positive attitude
- Ability to work effectively with others or alone
- Personal vehicle and valid Alberta class 5 license

Working Conditions:

Candidates must be willing to commit to 44 + hours per week. Typical shift is 7:00am -5:00pm.

What we Offer

At Abalone we pride ourselves in offering a competitive salary and some of the best benefits available. Our benefits package includes extended health care (medical, dental), long term disability, life insurance and Employee Family Assistance Programs.

Safety is vital on any Abalone operation. All employees are expected to be familiar with the company's safety program and enforce the safety policy at all times.
